

A Community Service Program that Gives Back to Seniors

Share the holiday spirit with the *Be a Santa to a Senior* service program! It's a way to brighten the lives of lonely or isolated seniors in your community. This program has touched so many lives . . . in the last five years, countless volunteers have delivered gifts to hundreds of thousands of seniors.

How you can participate:

- Be sure to stop by the nearest CVS Pharmacy to get an ornament with a needy senior's name and gift ideas.
- Consider organizing a team of friends or associates to volunteer with *Be A Santa To A Senior*. This may include participating in our gift wrapping party, delivering gifts to needy seniors, group shopping trips to purchase gifts, or requesting donations for gifts and wrapping supplies from area merchants, businesses or other organizations.
- Donations are greatly appreciated and would help cover expenses and gifts to seniors.

How the Be A Santa To A Senior program works:

1. Area non-profit agencies provide the names of lonely or financially challenged seniors in our community, as well as gift ideas for each senior.
2. Nashville area CVS Pharmacies host trees that are decorated with *Be A Santa to a Senior* Ornaments that include the name of each participating senior and their gift preferences. Simply choose your senior from any of the trees, purchase his or her gift(s), and return it to any CVS Pharmacy for wrapping.
3. Program volunteers will wrap and then deliver the gifts to each participating senior.

For more information, you can go to www.beasantatoasenor.com, or call 831-2358. Whatever your participation in the *Be A Santa To A Senior* program, know that your thoughts, efforts and gifts are the embodiment of the Christmas Spirit to a needy senior!
